

Traffic Management Plan for Scoil Chaitriona

Dear Parents and Guardians,

To ensure the smooth and safe movement of traffic during drop-off and collection times, we are implementing a new traffic plan. Please take a moment to review the following guidelines:

Morning Drop-Off and 2:00 PM Collection (No Change)

- **No Traffic Flow Issues:**

The morning drop-off and 2:00 PM collection periods run smoothly. However, we kindly ask all parents to move on promptly after dropping off their children to free up space in the car park for other families and ensure a steady flow of vehicles.

3:00 PM Collection

We have two designated collection points for the 3:00 PM collection:

1. **Top Entrance (School Car Park)**
 2. **Lower Entrance (Market Yard Car Park)**
- **Top Entrance (School Car Park):**

Families with a child in **Mr. Gallagher's class (5th and 6th class)** should use the top car park for collection.

 - *If you have younger siblings to collect, you may still use the top car park regardless of their class.*
 - **Lower Entrance (Market Yard):**

Families whose eldest child is in **Mr. Bracken's class** or **Mr. Carr's class** should use the lower Market Yard entrance for collection.
-

Additional Notes

- Parents may use either entrance for morning drop-off or for collecting a child at 2:00 PM.
 - Parents should come to gate if possible to collect their child.
 - Children walking or cycling may use either entrance.
 - To avoid confusion, each family will receive a letter clearly indicating which entrance they should use for the 3:00 PM collection.
-

Parking Guidelines

Market Yard Car Park:

- Please use the set-down area and parking zones marked in green.
 - Avoid blocking the main road or the pedestrian crossing. (X)
-

Traffic Management Plan for Scoil Chaitríona

Upper Car Park (Top Entrance):

- Feel free to park along the Sacred Heart Building, in front of the Green Gates, or by the Marian Hall.
- Please keep the area in front of the steps free for pedestrians. (X)
- Do not park on the hill. (X)
